

## 2017 Mentorship Program at a Glance

Our mentorship program is designed to meet each woman where she is, and draw her closer to Jesus Christ as we go through the next eight months together. We desire to not only build relationships that may last a lifetime, but to train women in how they can grow individually in their Christian faith. We desire for each one to learn to live and abide in the presence of our Lord and Savior, so that He can fully use their lives for His glory. Ultimately, our goal is to make disciples who make disciples. True disciples of Jesus Christ accept His call, learn the gospel, and then go and make disciples, teaching others how to obey all that He has commanded us. If you are ready to join us on this journey – regardless of where your path begins, we'll meet you there and walk with you. Here is what you can expect.

One on One intentional Christian discipleship mentoring that challenges you to grow in Christ Jesus.

You need to commit to making the meetings with your mentor a priority. If you must miss a meeting, reschedule it right away if at all possible. Your mentor has committed to your meetings as well. She is praying for you and setting aside her time for you.
