Pastors' Perspective ~ Can You Hear Me Now?

The Verizon cell phone company had a great slogan several years ago that people still remember and repeat.

**CAN
YOU
HEAR
ME
NOW?**

"Can you hear me now?" The idea was that they were providing the most comprehensive coverage and making every effort to provide service that wouldn't drop calls. One reason this campaign was so effective was because everyone using a cell phone has had the experience of saying "can you hear me now?" Now it seems we don't worry too much about being heard because everyone is texting instead of talking. We are communicating more than ever before, and yet just as lonely and isolated as ever, probably more than ever. The spiritual life of the believer is greatly undermined by the developments that are impacting our culture in terms of communication. The more we expect immediate responses to our texts, and phone calls, and the more distracted we become with technology, the more we transfer these expectations into our relationship with God. We have to be careful not to become impatient with God. Or to become so distracted

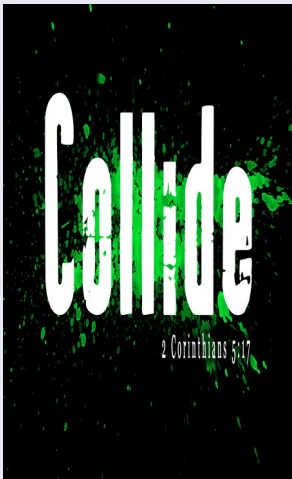

in our daily lives that we can't give Him more than a few moments of our attention in Bible reading, prayer or worship. God desires to have prolonged conversations with us, but I wonder if He is constantly saying, "Can you hear Me now?" Summer time is an especially busy time for most people. The weather gets nice, and the vacations and outings and games start coming at us one after the next. In the disruption to our regular schedules, our time with God is often the first thing to go. Church attendance often slumps in the summer, and I assume a lot of people are also missing their quiet time with the Lord as well. I know how busy and distracted we all can get, but let's make sure we don't fill our lives with stuff that doesn't matter. Let's make every effort to keep our walk with Christ a priority this summer. When we spend time with God, we have the energy and peace to do everything else we need to do. I find that when I shortchange my time with God in order to get work done, I'm much less productive than when I've rested in God's presence the way I need to. So, in the midst of all the busy-ness of summer activities, make sure you carve out plenty of time with God.

In Christ, Pastor Luke

COLLIDE YOUTH!

I have a new youth ministry teammate for the summer. Many of you already know him quite well. It's Marty Rind! Marty is a youth ministry major at Lincoln Christian College and as part of his education he has to do an internship. I approached him a few months ago to see if he would be interested in doing an internship here at First Baptist and he jumped at the chance! He just started this past week, I'm keeping him busy and he's doing great so far. If you see Marty around, be sure to tell him welcome to the team!

This summer will certainly be a whirlwind of fun and excitement. We've got a full schedule ahead with Gaga ball and Bible study every Wednesday, starting June 7th, Summer Collide and Ultimate Frisbee every Sunday starting June 11th not to mention a few summer conferences and a family mission trip!

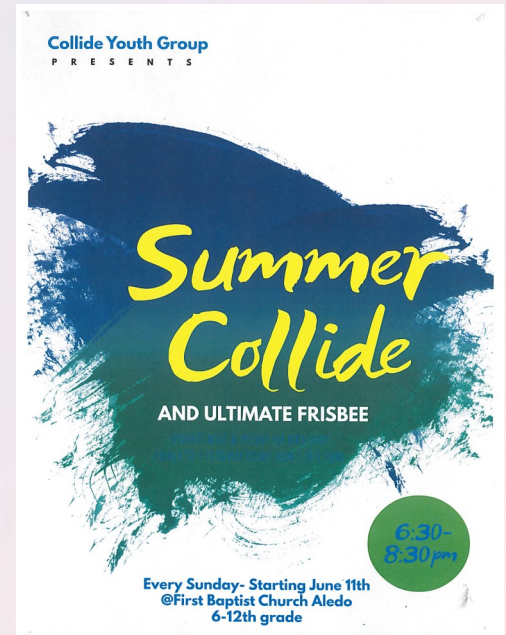

If you're part of the Prayerforce in any way, please don't forget to join us for the end of the year celebration dinner on June 4th at the Depot from 6-7:30pm. Please RSVP to Pam for that event ASAP.

Also, just a heads up to all the families out there, next session, we'll be transitioning high school Collide back to

Wednesday nights. That being said, we're going to keep the two groups completely separate, so the Junior High and High School groups will never mix. Fall Retreat is scheduled for Oct. 14-15th and in 2018 we'll be heading back to El Salvador for our high school mission trip. More details will be rolled out on that in the months to come. It is and has been a true joy serving the youth and families of First Baptist! To God be the glory!

In Christ, Heather

Kids Club Ministry

It's hard to believe that Luke & I just celebrated 10 years at FBC in February. Before we moved to Aledo, Luke and I resided in Southern Illinois for three and a half years. Luke was a first time pastor at Denmark Baptist Church (a rural congregation north-west of Carbondale) and I was the American Baptist Campus Pastor at SIU in Carbondale. We moved there fresh out of seminary and waited two years to start our family. My position was a challenging one in which I ministered to college students, managed a Christian Student House, and traveled to our regional churches who financially supported the campus ministry.

After we had Maddie, I quickly realized that balancing both roles as mom and campus pastor were wearing on me. That was right around the time Luke felt God was concluding his pastorate at Denmark. We were in a scary place where we didn't know where God was going to call us, we didn't know if I would be able to stay home with our young and growing family, AND we were really sad to leave our church family. Fast forwarding a few months and lots of trust-prayers, God called us to Aledo.

When we first arrived, I was chasing a toddler around (Maddie) and I was newly pregnant with Lucy. We were so excited to buy our first home and get settled into our roles here at First Baptist. The plan was for me to stay home with the kids and plug into a lay-ministerial role at FBC. No way would I have guessed that when Lucy was about to turn three, God

would call me into a ministry that was a far cry from campus ministry.

This August marks seven years that I have been leading the children's ministry here at FBC. It's been truly amazing to see God at work in our church. I have a very special calling to the kids and families at our church. I love to see them learn, grow, and be challenged. AND there's no way I could do what I do without all the volunteers who come along side me and support the ministry in a myriad of ways. Thanks for sharing

your kids! Thanks for volunteering! Thanks for giving when we need donations! Please pray for our church family and staff as we continue to grow and serve the Lord in Mercer County! ~Mollie

FBC Choir Assembling for 150th Anniversary Celebration

A Message From the Choir Director:

The church choir has long been a part of our worship at First Baptist. Many of you have been a part of the choir over the years and we would love to include you in the opening song to kick off the Saturday evening celebration of our 150 years of history.

The song will be a medley of familiar hymns, "Nothing But the Blood," "Are You Washed in the Blood?" and "There Is Power In the Blood." It's an energetic and fun rendition of these all-time favorites of the Baptist church. The music is easy and you should have no problems singing along.

It's our desire to give God glory and honor through our music, just as we always have. And it's our hope that you will consider being a part of this special song as we honor all the past and present musicians in our church. Many people have selflessly given many hours to make music a part of our weekly worship service and this song will be done in their honor.

In an effort to work with your schedules, I will be having a couple of options for practice times. You **DO NOT NEED TO ATTEND PRACTICES**. We would love to have you sing with us even if you are unable to attend a practice. I can also email the sheet music and rehearsal audio track to you if you would like.

Here are the set rehearsal times if you can attend:

Sunday, June 4th following the 8:00 am service - in the sanctuary
Sunday, June 4th following the 10:15 am service - in the basement
Tuesday, June 6th @ 6:45 pm in church sanctuary

Please communicate with me in some way so I have an idea of how many people we will have singing. Thank you.

June's Recommended Read

June's recommended read is a book Pastor Luke will be offering as a study this Fall during Wednesday Night Live. "Knowing God" is one of the top 50 books that have shaped evangelicals. J.I. Packer's classic has been an important tool

to help Christians around the world discover the wonder, the glory and the joy of knowing God. Stemming from Packer's profound theological knowledge, *Knowing God* brings together two important facets of the Christian faith— knowing about God and also knowing God through the context of a close relationship with the person of Jesus Christ. Written in an engaging and practical tone, this thought-provoking work seeks to transform and enrich the Christian

understanding of God. Explaining both who God is and how we can relate to him, Packer divides his book into three sections: The first directs our attention to how and why we know God, the second to the attributes of God and the third to the benefits enjoyed by those who know him intimately. This guide leads readers into a greater understanding of God while providing advice to gaining a closer relationship with him as a result.

Minute for Mission!

Meet Valmori! Valmori, or Val as we all call him, is our main translator for our missions in El Salvador. Val is a student in college and a D.J. at a Christian radio station in El Salvador. Val is married to Josselyn and they live in Chinameca, San Miguel. Val has translated for First Baptist Church every trip to El Salvador and is a great asset to our mission team. Val loves music and children, and is very good at entertaining all of the little people that come to see us. Val is a dedicated believer and is very active in ministry work in his country, he has even started his own ministry called Ministerio AJD, that preaches the gospel to the youth in El Salvador. Someday we hope to be able to bring Val to the United States so we can introduce him to our church.

A Word From Pastor Seth

“Your positive impact on the generations to come will be directly related to the ministry you have in that little place called home.”

— Jim George, A Husband After God's Own Heart

- Is your home a God honoring place of worship?
- Are you positively impacting this generation?
- Are you pointing this generation to eternal things?

On July 8th, men, ages 15 and up, are invited to attend the FBC men's conference “Rooted.” No matter what your status of marriage or fatherhood is, God is still specific about our role as men. We will be held accountable to how we have led our lives, our wives and our children.

Our wife, our kids,

and our life have all been given to us by God. God has given us His Word and His standard for leading in all these areas.

Impacting our Church, Community and the next generation starts with us. Sign up for the “Rooted” conference today.

~Seth

Coming in JULY! Sunday Night Remix “Share Jesus Without Fear”

This is an early alert about our Summer Sunday Night Remix but we want everyone to mark their calendars! On

Sunday evenings from 6:30-8pm from July 9th - July 30th FBC will be offering Sunday Night Remix for the whole family! Sign up on Sunday's Connection Card or Call the church

office at 582-7812.

The Topic is Sharing Jesus Without Fear! Here's a trailer for the video series which will be taught by Pastor Seth - We will also offer Kids Club and Collide during that same time so the whole family can come and learn how to share Jesus with others. Watch and listen for sign up details. This study presents a simple and relational approach to witnessing that underscores the dependence of God's power for the results. Birthed out of the life-transformation of its author (former brothel-owner turned Christ-follower), this method teaches believers how to navigate a witnessing conversation in everyday situations.

Mark your calendars!
Aledo's Rhubarb Festival is Friday, June 2nd and Saturday, June 3rd!
