Love Christ.

Love Others.

Think Biblically!

What are we doing? What Is Our Plan?

Office Hours

During the first half of April we closed the church office, while doing our best to stay in contact and be available. We hope everyone was still able to get the help and information they needed.

We are planning on “opening” the office beginning April 20th. However, we will seek to minimize traffic flow through the church, so we are asking that everyone call ahead as the doors will remain locked. This will remain the case through April, and we hope to start getting back to some sense of normal in May.

Sanctuary Remodel

Pictured above is a design rendering similar to what our remodeled sanctuary will look like.

With the church building empty, we decided it was a good time to do some of the work we had planned in the sanctuary. The church voted in January to move ahead with a remodel of the sanctuary to reduce the size of the beams, reconfigure the stage, change some of our audio/visual equipment, paint, replace carpet and add chairs.

The project was slated to start in mid-April, and it has. We are excited for the day that is coming soon when we can all be gathered together in our newly renovated sanctuary!

Blessing Box and Deacon Fund

Throughout this Covid Crisis First Baptist has worked hard to be a blessing and a support to our community. One of the ways we've been able to do that is through our Blessing Box Ministry. The Blessing Box sits on the northeast corner of our parking lot, and is available 24/7 for people who need some food or personal care items. It is stocked multiple times daily. Thank you for supporting this ministry! Donations can be made anytime by dropping off food or toiletry items in the tub under our carport. Other ways to help are to make a donation to the Deacon Fund, which is used to pay for emergency needs for those who find themselves in a difficult situation. You can make donations through our website and choose the Deacon Fund option. We would also like to thank the Car Ministry! They have helped a family in need this month by repairing a vehicle for someone who had no transportation, and no way to pay for car repairs. Thank you all so much for your generosity and compassion!
